EXTRAORDINARY OPPORTUNITY.

NOVEMBER 12, AT PEREMPTORY AUCTION SALE OF FINE CLOTHING BY MESSRS.
Wilmerding, Morris & Mitchell, at 64 and 66 White st., the entire stock of Fall and Winter Clothing of the well-
known firm of Messrs. Naumburg, Kraus, Lauer & Co., of 657 and 659 Broadway, we purchased nearly \$40,000
worth of the finest goods.

We did not need these stocks, but they were so ridiculously cheap and of such fine quality and excellent make, we could
not refuse them.

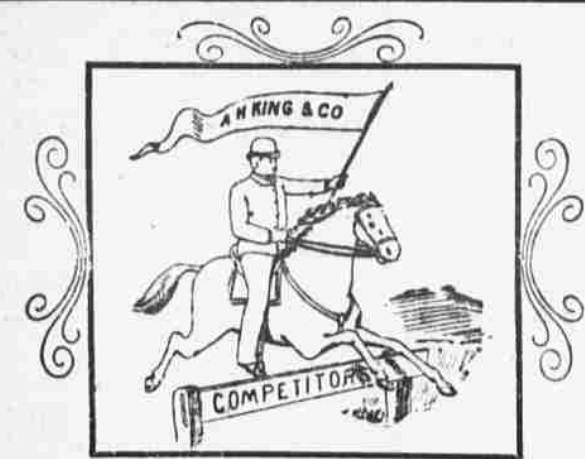

We bought for NET SPOT CASH and only paid about ONE-QUARTER MANUFACTURING COST of the
goods.

It was a forced sale. They had to go and we have those same goods here to-day for you to select from. They were
delivered last night. We actually have not the room for these goods; go they must. So we arrange this Three Days' Sale to
reduce the stock by giving the public the benefit of our fortunate purchase.

FIT of these garments. We have also in stylish suits "Stouts," "Extra Longs" and "Extra Shorts," to fit all unusually
proportioned men.

OPEN EVENINGS DURING THIS SALE UNTIL 9 O'CLOCK.

WE ARE REALLY GLAD TO BE ABLE TO
offer such superb values in fine custom-made
clothing to the public as are comprised in this
excellent stock. This line of clothing embraces a
gorgeous array of Men's and Boys' fine Overcoats
and Suits. They were made to sell for \$40 and
\$45, but having bought them at an imperative sac-
rifice figure, we can and do delight in allowing the
public to come and share in the advantageous
figures which put clothing within reach of every-
body. Never before during our business career
have we offered such wonderful inducements to our
patrons.

Mail orders given prompt attention when
accompanied by cash, money order or draft.
Besides the bargains offered in this three days'
sale, we have inducements in our special depart-
ments.

The shoe department gets a big boom through
the offer of a standard value \$4.50 shoe for \$1.50.
The chance still holds out for you to call and se-
cure a pair.

For 64 cents you can buy a men's fine dress
shirt, worth \$1.75. This is the way the furnishing
goods department is made popular.

All popular blocks of stylish hats are shown by
us, and the leader, a regular \$3.50 hat, we are sell-
ing for \$1.65.

In making the boys' suits only the finest Globe
Mills and Rock Cassimeres were used. They are
superb value.

Ladies will be surprised at the great difference
in favor of our prices compared with those of up-
town. The quality of the goods is superior.

and Winter Catalogues.
